

# CHRISTIAN HOME AND BIBLE SCHOOL

Mount Dora, Florida

A new 19,019 S.F. free standing Classroom Facility, consisting of a three-story wing and a two-story wing, educational classroom facility. The new structure is located on the existing campus of the Christian Home and Bible School, in Mount Dora. The facility is utilized for Kindergarten through 5<sup>th</sup> grade student classrooms, and has a state of the art computer lab. Construction constraints due to the mountainous terrain of the site were challenging. The Construction was block, concrete and brick exterior finish. The new facility includes all finishes, new electrical, and a chiller and boiler plant. In addition, the new facility ties into the adjacent facility with a covered, elevated walkway.
