

FT. PIERCE INLET STATE RECREATION AREA

Fort Pierce, Florida

Ft. Pierce Inlet State Recreation Area is located in Ft. Pierce, Florida. The scope of the project included the construction of (3) each ten-table picnic pavilions, (4) each two table picnic pavilions, children's playground, landscaping, fencing, sidewalks, and related site improvements. During the time frame of this project, The Collage Companies secured a continuing services contract with the Florida State Department of Environmental Protection to provide construction management services on projects throughout the State of Florida.
