

MIAMI STATE SCHOOL “T-T”
BOB GRAHAM EDUCATION CENTER
Miami, Florida

THE COLLAGE COMPANIES was pleased to be a part of yet another design/build project for Miami-Dade County Public Schools. Collage has been building schools for over 26 years and is extremely “safety driven.” This project consisted of working on an occupied campus and due to this experience and philosophy Collage has been able to successfully deliver this project as well as other school projects for MDCPS.
