

# PALM COAST HIGH SCHOOL AND CENTRAL SERVICES COMPLEX

Bunnell, Florida

The project includes the renovation and remodeling of the Palm Coast High School's existing auditorium, gymnasium, cafeteria and classrooms as well as the new construction of five buildings ranging from 1,200 SF to 54,000 SF. The new buildings are the two-story classroom, gymnasium, central chiller plant, sports complex field house and an athletic concession facility. Additional work for the Central Services Complex for Flagler County Schools include a new maintenance and storage building, additions to the school bus garage and maintenance facility and additions to the School Board storage building.
