

RIVER BREEZE PARK

Oakhill, Florida

River Breeze Park in Oakhill, Florida is a beautiful public park located on the Intercoastal Waterway. The first phase of the 125-acre project included the complete site work including utilities and landscaping as well as the construction of 35 acres of recreation areas, pavilions, campsites and restrooms. Construction also included two boat ramps, a boardwalk, and a fishing pier. River Breeze Park is the hallmark of Volusia County.
