

NORTHLAND - A CHURCH DISTRIBUTED SANCTUARY BUILDING

Longwood, Florida

Collage constructs a \$40 million project for Northland, A Church Distributed as the church focuses on meeting the needs of a growing and changing congregation. The new grade school ministry building consists of a 20,000 SF two-story state-of-the-art themed education building that will feature a unique blend of education, entertainment and meeting space. The new 3,000 seat Sanctuary will be one component of a new 140,000 sf building along with a foyer the size of a football field, prayer rooms, 25 classrooms, a bookstore, a café, a children's playground, an outdoor gathering space for events and theatrical performances and more. Additional elements of the project include enhanced communications technologies that will allow Northland to both connect to current multi-site locations at Lyman High School, Mount Dora and West Oaks as well as locations across the globe in places such as Cairo, Egypt.
